

School Visit, Tour, and Classroom Observation Policy

The Governing Board has adopted the following policy related to school visits, tours, and classroom observations:

Any parents of enrolled pupils or any parents who wish to enroll their children in the School may request and schedule a School visit, tour, or classroom observation by calling the School or visiting the School in person during normal school hours.

The School reserves the right to restrict such visits, tours, or observations if a visit, tour or observation threatens the health and safety of pupils and staff.
